The purpose of this Financial Services Guide

This Financial Services Guide (FSG) is for Count Financial Limited ABN 19 001 974 625 ('Count') and is an important document designed to provide you with information to make an informed decision about the advice and services that Count provides.

Count ('we', 'us' or 'our') provides financial services through its Australian Financial Services Licence (AFSL No. 227232).

Your Count Financial Adviser ('Adviser') provides financial planning services to you as an Authorised Representative of Count. Your Adviser acts on behalf of Count which means that we are responsible for the services outlined in this FSG.

Your Adviser will operate under one of Count's franchisees. Our franchises nominate the Advisers that Count appoints as Authorised Representatives for the purpose of providing financial advice.

This FSG is divided into two parts and both parts must be read in conjunction as together they form the full FSG. Part One of this FSG provides high level disclosure of the financial services and products provided by our Group whereas Part Two of this FSG more specifically outlines the financial services and products provided by your Adviser, as well as more detail about the franchise for which they work.

2. Disclosure documents

You may receive the following documents when your Adviser provides financial services to you.

Statement of Advice (SoA)

If your Adviser provides personal advice tailored to your circumstances and needs you will receive a SoA. The information contained in the SoA will help you make an informed decision in relation to the advice provided. It also sets out the advice, the reasons for the advice and details about any remuneration payable.

Record of Advice (RoA)

If you were previously issued with a Count SoA, certain circumstances may allow the provision of further advice without the need for another SoA. Where this is the case, you are entitled to request a RoA within seven (7) years after the day the advice was provided. The RoA can be requested from your Adviser and will detail the further advice and the basis of those recommendations.

Additionally, in certain circumstances where you are provided advice on a small investment balance or strategy advice only, you may be issued with a RoA. Your Adviser is required to provide you with a copy of the RoA in this circumstance, which will outline the advice, the reason for the advice, and details about any remuneration payable.

Product Disclosure Document (PDS)

You will receive a PDS if your Adviser recommends a financial product or offers to arrange the issue of a financial product on your request. The PDS contains information about a financial product's features, fees, benefits and risks.

3. Advice services and products we offer

Having access to a comprehensive range of services and products helps ensure your Adviser can provide a tailored financial solution just for you.

Advice services we provide

Our Advisers can provide advice in the following areas:

- investment planning, including borrowing to invest
- superannuation and retirement planning
- Self-Managed Superannuation Funds
- personal and business risk insurance
- information on Centrelink benefits
- portfolio review services.

Count is registered with the Tax Practitioners Board as a Registered Tax (Financial) Adviser. Based on the information collected from you, your Count Adviser will consider the tax consequences that relate directly to the financial advice being provided.

However this financial advice will not include an assessment of your overall tax position. To determine how your Count Adviser's financial advice fits with your overall tax position, you should seek separate tax advice about liabilities, obligations or claim entitlements that arise, or could arise, under a taxation law

Financial product types we recommend

Our Advisers can provide advice in relation to the following types of financial products:

- deposit and payment products (eg savings accounts or term deposits)
- government debentures, stocks and bonds
- life products (eg life cover, total and permanent disability cover, trauma cover, income protection and business overheads insurance)

- margin loans, and
- superannuation (eg employer super, rollovers and account based pensions).

Approved products

Our specialist product research team undertakes due diligence on product providers and also use independent research to select products that are listed on the Count Approved Product List ('Count APL').

The Count APL contains both Commonwealth Bank Group products and financial products issued by other providers external to the Group. All products must meet our rigorous selection criteria and approval process to be listed on the Count APL.

When it is appropriate, your adviser may recommend a financial product from the Count APL, or depending on your objectives, financial situation and needs, your Adviser may need to recommend a financial product that is not on the Count APL. If this happens, any product that your Adviser may recommend must meet our selection criteria and approval process.

The financial services and products that your Adviser is authorised to provide are outlined in Part Two of this FSG.

In some instances, your Adviser may seek portfolio research advice from CommSec Adviser Services and incorporate this research into the advice that they provide to you. The cost of this advice will be incorporated into the total advice fee and detailed in your SoA.

Services we are not responsible for

We are only responsible for those financial services or products offered by your Adviser in their capacity as an Authorised Representative of Count. This does not include any other services your Adviser may provide in any other capacity, including as an accountant or tax agent, such as:

- taxation advice and services, eg completing tax returns
- accounting and audit services
- Self-Managed Super Fund compliance and administration services
- business or legal advisory services and referrals

In all your dealings with your Adviser you must satisfy yourself as to who is responsible for the advice or services provided to you. If you require further clarification, please do not hesitate to contact Count.

4. Your personal information and providing us with instructions

How we handle your personal information

Count and your Adviser are committed to ensuring the privacy and security of your personal information. As part of our continuing commitment to client service and maintenance of client confidentiality we have adopted the principles set out in the Privacy Act 1988. For further details you can refer to the Commonwealth Bank Group's Privacy Policy which is available at www.commbank.com.au/security-privacy/general-security/privacy.html.

If you wish to review your personal information held by Count, please contact us by phoning 1300 650 432 or emailing privacy@count.com.au.

As a financial service provider, we have an obligation under the Anti-Money Laundering and Counter Terrorism Finance Act to verify your identity and the source of any funds. This means that we will ask you to present identification documents such as your passport or driver's licence. We will also retain copies of this information. We assure you that this information will be held securely. We cannot provide you with services if you are unwilling to provide this information.

Instructing your Adviser

You will generally need to instruct your Adviser in person as your signature will be required for verification. For some products and services though, special arrangements can be put in place to instruct your Adviser by electronic means, for example phone, e-mail, SMS or fax.

In most circumstances we can accept instructions from a person who is authorised to give instructions on your behalf.

Non-advisory transactions

At times you may wish to make an investment transaction and do not need assistance from us with any decisions in relation to the product or transaction. In these cases, we can take your instructions and arrange for the transaction to be completed, without providing personal advice. If you wish to proceed without advice from us we will ask you to confirm your instructions in writing and sign an acknowledgment form. Any assistance we provide to complete your transaction should not be taken as a recommendation or endorsement of the product or transaction.

5. Our fees and other costs

Financial planning advice fees

The fees or other costs that your Adviser may charge for services provided or products recommended, depends on the nature and complexity of your situation and the advice that is provided.

Your Adviser will agree with you the form and amount of charges before they provide any advice or services. The general way you pay for our services is through our financial planning advice fees or commissions.

The methods are explained below and the actual costs will be disclosed in your Adviser's written advice to you or in the acknowledgment form completed when a transaction is requested. You have the right to request further information in relation to the remuneration, the range of amounts or rates of remuneration that we or your Adviser may receive.

The fees and charges for our advice and service may be based on a dollar amount, a percentage of the amount invested, an hourly rate, or any combination of these.

Where we are aware that you have used borrowed funds to invest through us, we will charge you a flat dollar advice fee.

Our financial planning advice fees generally include charges for providing you with a SoA, ongoing advice and services, or it can be for other fees, such as a fee for a transaction. You may choose to pay these fees directly or from the product(s).

Please refer to Part Two of this FSG for further details on fees that your Adviser charges.

Commission payments

When you invest in a product or commence an insurance policy through us, we may receive initial or ongoing commission payments from product providers.

An initial commission is a one-off payment made upon entry to a financial product and an ongoing commission is paid each year for which a financial product is maintained.

These commissions are based on a percentage of the funds you invest, or the premiums you pay. They are not paid directly by you and are instead deducted from the investment, superannuation, loan or insurance premium by the product provider. We only receive commission where we are entitled to receive these payments through existing arrangements with product providers.

If you are charged a direct fee, your Adviser may rebate some or all of the above commission to you.

Investment, superannuation and loan products

The initial commission we receive on an investment, superannuation or loan product may be up to 4.40% of the investment amount. The ongoing commission we receive may be up to 1.50% per annum.

We will only receive commission payments on investments, superannuation or loan products, or additional contributions or drawdowns to these products, where we are entitled to.

Insurance products

The initial commission we receive on insurance products may be up to 123.75% of the first year's premium. The ongoing commission we receive may be up to 33% per annum of the renewal premium.

Referral fees

If you have been referred to your Adviser by a third party they may pay that referrer a fee. The franchisee and/or your Adviser may also receive a benefit for referring you to third parties for specialist services.

If applicable, further details will be disclosed in Part Two of this FSG at 'Referral Arrangements' and in your SoA.

6. Benefits we may receive

Fund manager payments

We receive payments from product providers on a monthly or quarterly basis each year. These payments are based on the average balance of funds placed by all Count Advisers in each relevant product provider's investment option(s). We will continue to receive payments where we have an entitlement to do so under an arrangement with a product provider prior to 1 July 2013.

Incentive payments

Fee rebate or waiver

The franchisee and/or your Adviser may also receive fee waivers, fee subsidies and/or fee reimbursements. These fees are for the provision of support services provided by Count to the franchisee and include such items as annual membership fees, software and data service fees, Paraplanning fees and the travel and accommodation costs associated for attending conferences and training events.

Other benefits we may receive

Alternative remuneration

From time to time, Count and your Adviser may also receive other benefits from product providers. If other benefits are received, they can only be valued at less than \$300 per provider each year or will otherwise be declined.

Count and your Adviser maintain a public register of all other benefits we receive, regardless of whether they are accepted or declined. We also maintain a conflicts of interest register.

Conflicts of interests are circumstances where some or all your interests are inconsistent with, or diverge from, some or all of our interests or those of your Adviser. If you would like to see a copy of these registers, you can speak with your Adviser or contact us.

A Licensee Advice Fee is charged by the Licensee, Count Financial Limited, on some products. It is a payment for services related to the provision of advice. These include (among others):

- access to and research of product and platform offerings
- technical and strategy advice
- technology and process support, and
- professional and technical development.

Professional Development Conference Sponsorship

We may also receive sponsorship payments from product providers which are in no way linked to volume of sales. These sponsorship arrangements help us to offset the organisational and running costs of providing education and training services for our Advisers.

Safeguards Adopted

We have adopted safeguards to manage conflicts of interest that may arise wholly or partially in relation to the activities that we undertake. These include:

- providing full disclosure of the conflict of interest, potential conflict of interest, or perceived conflict of interest to you
- referring you to another adviser within our Group to provide advice to you, and
- declining or withdrawing the services provided to you.

We believe these safeguards are a sound and effective means for controlling and avoiding conflicts of interest. Where we have identified a conflict of interest, we will act as a reasonable advice provider without a conflict would do, including providing advice that is in the client's best interests.

7. Complaints, privacy and compensation arrangements

We always strive to provide quality advice and service and welcome any feedback that allows us to continue to improve our services.

Where we are aware that you have used borrowed funds (ie funds that are either secured or unsecured) to invest through us, we will charge you a flat dollar fee.

Service based charging

The fee for the preparation and implementation of our advice is calculated based upon a fixed price agreement. If you decide not to implement our recommendations, the fee for the preparation of the Statement of Advice will be payable in full.

Supplementary service fees

For supplementary services, such as the provision of general research material or the completion of administrative tasks, our fee will be calculated on a time basis of \$220 per hour.

Ongoing service fees

Our ongoing advice fees vary depending on scope and complexity and range from \$1,100 to \$13,200 pa (incl. GST) unless otherwise agreed. The exact cost of the ongoing review service will depend on the review offering we recommend and this will be disclosed within the Total Financial Care Agreement we provide to you.

We will recommend an appropriate review package in light of your circumstances.

Should you require any additional services outside of any agreement between you and your adviser, an amount of up to \$220 per hour, may be applied.

With respect to platforms, as Licensee, Count may receive an ongoing fee which may be tiered based on the value of your portfolio of up to 0.6% p.a

Other costs

All fees and commissions will be disclosed in your Statement of Advice. Count may also charge transaction fees in respect of particular products. These include the following:

Other Benefits - Contributions to Count (CTCs)

CTCs are a points-based rewards system primarily calculated on revenue contributed to Count. For investments placed by Vivid Accountants & Advisers (a franchisee of Count) in approved administration platforms and retail products, CTCs are calculated based on your total balance and are allocated annually.

The following table shows the level of CTCs allocated in relation to Count's approved administration platforms and retail products, calculated per \$100,000 invested.

\$100,000 invested in the following platform	CTC value	\$100,000 invested in the following platform	CTC value
IOOF IPS*, platform ² and wealth-e-account	250	Perpetual WealthFocus*	250
IOOF Pursuit	250	Colonial First State FirstChoice*	250
Star Portfolio	250	Colonial First State FirstChoice Wholesale	250
wealth-e-account Wrap Essentials*	250	Praemium Customised Portfolio	250

* Closed to new business

With respect to advice fees and ongoing commissions paid from Retail Investments, Vivid Accountants & Advisers will receive one CTC for each \$1 paid to Count. The amount will be set out in the advice document provided to you.

Each year Count sets a CTC target for our firm. If we exceed this target, we are entitled to a cash payment equivalent to 5% of our CTC total (plus GST). As a worked dollar example, if we were to assume that our firm accumulates 100,000 CTCs over the year, Count will pay us 100,000 x 5% (plus GST) = \$5,500 (GST inclusive).

If we achieve at least 92,000 CTCs, then we will be entitled to a rebate of our membership fee to Count for the following financial year.

We may also qualify for scale based rebates, ie once we have exceeded 186,000 CTCs we may qualify for cash payments starting from \$10,000 including GST.

Any amount to be paid and the method of calculating the benefit will be disclosed at the time the advice is provided.
